PRESIDENT'S REPORT

It is my pleasure to present the President's Report for Churches Football Association Sydney. As we reflect on another season, we give thanks for the opportunities football has provided to bring people together in Christian fellowship, while sharing our faith across denominations and cultures.

This has been a season of growth, commitment, and teamwork. Our clubs, players, volunteers, referees, coaches, committee members, and supporters have worked together to create a welcoming and enjoyable competition. I sincerely thank everyone who has contributed to the continued success of Churches Football Association Sydney.

Looking ahead, our priorities are to strengthen the association's financial position and long-term sustainability while maintaining an affordable, positive football experience. We will seek to reduce costs, improve services, use resources responsibly, and explore collaboration, shared services, partnerships, and other efficiencies.

With careful planning, open communication, and the ongoing support of our clubs and volunteers, our future is positive. We remain committed to growing the association while staying true to our Christian purpose and values. This report highlights God's blessing throughout the season, our clubs' achievements, and the work undertaken to strengthen football, friendship, community, and our Christian ethos.

PAUL SYDENHAM

PRESIDENT

SECRETARY'S REPORT

What a season it has been!

We were incredibly fortunate with the weather throughout the 2026 season, allowing our players to enjoy plenty of great football and memorable moments.

A huge thank you to all the volunteers across our clubs who give their time, energy, and passion every week to ensure that all players have the opportunity to enjoy the game.

Your commitment and dedication are what make our football community so special, and we truly appreciate everything you do.

To the Management Committee, who work tirelessly behind the scenes every week to ensure the smooth running of the Association, thank you for your continued efforts and support.

Enjoy the off-season, and we look forward to seeing everyone back in 2027!

KIM SYDENHAM

SECRETARY

REFEREE CONVENOR REPORT

I would like to thank all of our referees and Management Committee members for their continued support and encouragement throughout the 2026 season. The commitment of our referees, both on and off the field, plays an important role in helping our competitions run smoothly each week.

This season, we welcomed almost 12 new referees across our junior and senior ranks. It has been fantastic to see new faces joining the team and taking on the challenge of refereeing. Refereeing is not as simple as standing in the middle with a whistle; it takes confidence, knowledge, communication and ongoing development. Thank you to everyone who has helped welcome and support our newest recruits.

Despite the usual challenges of injuries, illness and outside work and family commitments, our referee team achieved over 98% coverage of all games played across all competitions in 2026. This is an outstanding effort and a testament to the dedication, flexibility and teamwork of our referees.

I would also like to congratulate our referees who represented CFA Sydney Referees at the 2026 CFFA National Titles, held in Melbourne from 28 to 30 September 2026.

Congratulations to Goranco Srkeski and Lily Smith on this achievement. Representing our refereeing group at a national event is a fantastic opportunity, and we are proud to see our referees taking part.

A big thank you goes to our dedicated mentors and to every referee who has given their time to support and guide another member of the team. Whether it is sharing experience, offering advice or helping a newer referee build confidence, that support makes a real difference. Our team is stronger when we continue to learn from one another and work together.

Finally, congratulations to our 2026 Whistleblowers of the Year:

- Djakunda Trehwella – Junior Whistleblower of the Year
- Yeol (John) Kim – Senior Whistleblower of the Year

Thank you all for your hard work, commitment and ongoing support throughout the 2026 season. The contribution of every referee is valued, and I look forward to building on this season's achievements together

JUDICIARY COMMITTEE

The 2026 CFA competition was another season that kept the Judiciary Committee busy and engaged throughout. This season we did manage to see a minor reduction in the number of overall red card offences that came before the Judiciary. A total of 67 red cards were issued this season, in comparison to 71 red cards received in the 2025 season. Whilst this is only a 6% decrease, it did reverse the prior trend of increasing red card offences from the 2024 to 2025 seasons. This year our red card offence volume was once again dominated by the following - Second caution in the same game (48%), Violent Conduct (18%), and Language/Gestures (13%). This does represent a significant decrease in stand-alone actions or offences justifying a red card, with a far greater proportion of red cards issued for a second bookable offence.

When considering these numbers, the automatic penalties that apply to the second caution red cards issued did simplify the overall Judiciary workload. However, there was a consistently steady volume of more serious offences that required Judiciary consideration. Unfortunately, the standout this year was multiple red cards issued within our Junior competition ranks for offences involving violent conduct. Such conduct and behaviours within some of our younger age groups was of particular concern, and whilst I applaud the actions of our Junior referees in managing the incidents as they occurred, it will be hoped that this trend does not continue into the 2027 CFA season.

I would like to thank the referees, both Junior and Senior, for being available when required to provide further insights and details in relation to their match reports or incidents that involved the engagement of the Judiciary. Referees were readily contactable and able to provide the information required to assist in any Judiciary review. There were some highly credible and considered match reports submitted throughout the season that have set the bar high in expectations of report quality for next year. The Judiciary will continue to look to provide feedback and advice to all referees to continue ongoing improvement and understanding of the importance of match reports when it comes to red card offences.

I once again thank my fellow Judiciary members Alan Spaul and Elise Burrow for their ongoing support and guidance. Appreciate that Elise had the arrival of James to contend with during the season, but made herself available whenever possible, and Alan continued to provide exceptionally well-reasoned thoughts and opinion across a wide range of incidents considered by the Judiciary throughout the year. As always, it would be remiss of me to not acknowledge Paul for his counsel and support whenever required – whether that be a Saturday morning or afternoon conversation on all things CFA, or a weeknight phone call seeking his input or opinion on a matter before the Judiciary.

Believe it or not, I continue to appreciate the dedication of my wife, Naomi, for her support and time in managing the administrative demands of the Judiciary process. Another season has passed without the need to consider a pay rise for her, even though she continues to remind me that her time is worth more than just money!

Many thanks to all for their engagement and support throughout the 2026 CFA season, wishing everyone all the best for the upcoming summer, and hoping to see everyone back for the 2027 season.

Regards,

MATTHEW SMITH

TREASURER'S REPORT

This year we didn't lose many games . The Management Committee held our expenses to a good level. Hopefully the new insurance quotes are not too excessive and councils don't increase fees too much.

Whilst we made a slight profit due to holding fees to a minimum and have tried to hold fees with a slight increase for 2027.

My thanks must also go to our Secretary, Kim Sydenham, who keeps our accounts up to date and chases up all our outstanding fees, this makes the job of Treasurer much easier.

We have engaged Karen Ambrose of S & N Accounting at Chester Hill to conduct our Audit.
